

Amend Pari 502.04(b), effective 1-11-03 (Doc. #7820), to read as follows:

(b) Annually, by June 1, a report by a New Hampshire certified public accountant stating each of the items specified in RSA 284:32-a and:

Adopt Pari 502.21 to read as follows:

Pari 502.21 Interference with Sample Taking. Any person refusing to allow the taking of any urine or blood sample or any other test substance, or acting or threatening to impede, prevent or otherwise interfere with any such sample taking, shall result in the suspension pursuant to Pari 200 of that person's license by the stewards or judges of the meeting, and the matter shall be referred to the Commission for such further penalty as in their discretion they may determine.
